

# How to make your own Dorje Shugden Brochure

1. Front view of brochure.

6. Fold short flap to the front and crease.

2. Back view of brochure.

7. Flip it around.

3. Fold brochure into half on the long end.

8. Fold short flap to the front.

4. Flip brochure onto the front side.

9. Your brochure is ready! It should look like this when open.

5. Fold brochure into half on the short side.

10. Use any type of peel-off adhesive or UHU stick and apply a little on the back of your protector card.

11. Attach your protector card onto the empty space in the brochure. Your brochure is now ready!
